ABOUT US

Beacon Clinic for Health and Hope is a free primary healthcare clinic dedicated to serving the uninsured and underserved members of the greater Harrisburg area.

Since its founding in 2015, it has been a beacon of hope for individuals and families in need offering medical care, health education, and compassionate support.

Through the dedication of our healthcare professionals, volunteers, and partners, we strive to bridge the gap in healthcare access and create a healthier, more equitable community.

In 2024, Beacon Clinic embarked on an exciting new chapter by relocating to a new facility at 2626 N 3rd Street, Harrisburg, PA. This move allows us to better serve a growing patient base, expand services, and provide an enhanced environment for care and healing.

Our mission is to provide comprehensive, compassionate healthcare services to uninsured and underserved individuals in our community—free of charge.
