

BEACON CLINIC
For Health and Hope

2026 Sponsorship Opportunities

ABOUT US

Beacon Clinic for Health and Hope is a free primary care clinic in the greater Harrisburg area, dedicated to serving uninsured adults with compassion, dignity, and excellence. Founded on the belief that access to quality health care is a basic human need, our clinic provides culturally competent medical services.

Through the dedication of our healthcare professionals, volunteers, and partners, we strive to bridge the gap in health care access and create a healthier community for all. Beyond treating symptoms, we focus on building trusting relationships and addressing the underlying social and economic challenges that influence health outcomes.

Beacon Clinic serves as a guiding light of hope and care in our community. Thanks to the generosity of donors, partners, volunteers, and sponsors we continue to expand our reach and strengthen our impact. Together, we are building a healthier future for the many individuals who depend on us.
